FOUNDATION'S PROFILE

Taibu Islamic Foundation (T.I.F) is a Non-Governmental and Non-Political Organization registered with National Bureau of NGOs in Uganda under certificate number 7064 and permit number 8111. It registered with Uganda Muslim Supreme Council under certificate number UMSC/SOS/22/008. It was founded in 2022 to serve, help, advance, transform, uplift and respond to people's needs socially, economically and culturally. These include Orphans and other vulnerable children as its main target, children, women, men and youth, regardless of their religious affiliation and ethnicity.

Its major objective is to empower communities and its areas of operation include socio-economic programs like provision of education services, health, water and sanitation, religion, economic empowerment, social skills in parenting, gender-based violence, HIV/AIDs and financial literacy.

The Foundation owns 13.5 acres of land in Mpigi District Muduuma Subcounty Jeeza Nvuba Kawelo off Mityana Road with a land title in its names. It will help in the construction of an Islamic school, hospital, vocational center, mosque, bore holes and implementation of other activities. Our work will be aligned with the 17 sustainable development goals (SDGs), legal frameworks and policies.

How your support will help us:

- To provide and promote quality education to children most especially the orphans and other vulnerable children from early learning to primary seven.
- To provide and enhance health and medical services
- To educate, enhance Islamic teachings and spread the word of Allah.
- To establish a vocational skilling center for economic empowerment
- To provide items for Muslims during the holy month of Ramadhan.
- To provide safe, clean water and sanitation services to community and vulnerable families
- To enhance social skills like parenting, gender based violence, HIV/AIDS, financial literacy among communities.
